

Rhema Gospel Church

March 19, 2020

Dear Rhema Family and Friends,

As the national, state, and local response to the COVID-19 crisis continue to evolve, so does ours here at Rhema Gospel Church. As a people-centered ministry focused the needs and well-being of you, our congregation, is always a priority. **As such, here are some major changes we want you to know:**

- **Our Sunday worship services will continue to be online only**
- **All previously scheduled Rhema events and programs are postponed until further notice**

We remain hopeful and in prayer that this crisis will end, and that God uses us at this time to show his love to our neighbors. Following in accordance with state and local guidelines, we will continue to facilitate safe interactions through technology. Now more than ever, unity among our community is needed. Together, we can encourage and support one another. **We will utilize the resources we have in this digital age to make sure we stay connected and engaged. Here is how we can all do that:**

1. Make sure you've liked the [Rhema Gospel Church Facebook Page](#)
2. Set a calendar alert/reminder to tune in to our Wednesday (7:30pm) and Sunday (12:30pm) services
3. Tune in on Wednesday & Sunday online live service on our Facebook page or...
4. Tune in to the live service via our Conference Number [DIAL 1-866-464-4174; Pin: 19925]
5. Stay connected online and through our Rhema ministry groups on WhatsApp [Text 940-273-3209 for more information].

In all things, remember that God is still a good God, and nothing catches Him by surprise. As we were reminded at our first online Sunday service, let us not fear what is happening but instead trust in God.

We look forward to connecting with you in the weeks to come. As we do so, let us join in prayer for our community, for all those affected by the impact of COVID-19 (health, employment, finances) and those individuals or organizations providing care to those ill or working to prevent disease spread.

For the most up-to-date local information, please follow Dallas County Public Health, our local health official on [Facebook](#) and [Twitter](#) or [website](#). For continually updated national information and FAQs, please visit [CDC.gov/COVID19](https://www.cdc.gov/COVID19).

Thank you for praying with us and staying connected with us. We will continue to communicate through our connection platforms as more updates arise.
